The City of Newburyport is looking for two Water Treatment Plant Operators to monitor the operations of the City's water supply, treatment plants and related facilities through proper inspections of equipment, testing of water, analyzing water samples to adjust chemicals; monitoring manually and through computers for proper flow of water and treatments; recording all activities per regulations, etc.

Must have a High School Diploma or GED, with at least 2 years of water treatment plant operation experience; or any equivalent combination of education, experience, and training. Must have and maintain a Water Treatment License T2, T3, or T4 through appropriate CEU classes.

Both positions are 40 hour per week positions. One is Monday – Friday 11pm – 7am; the other is Tuesday – Thursday 7am – 3pm and Sat – Sun 11pm – 7am, with the 7am – 3pm shift involving maintenance and backup operator work. Both positions require availability for overtime. These positions are part of the AFSCME Union, Grade 16. Salary with a T2 license start at $23.23/hour, T3 and T4 licenses start at higher rates.
