

Civil or Environmental Engineer 2/3 Andover, MA

Woodard & Curran is a 700-person, integrated engineering, science, and operations company. Privately held and steadily growing, we serve public and private clients nationwide. We consistently rank among the top firms in the U.S., including Engineering News-Record's top 100 environmental firms and top 200 design firms. Woodard & Curran was founded with a simple business concept: if we provide an enjoyable place to work with opportunity, integrity, and commitment, we will attract talented people who thrive and excel at their work.

Responsibilities:

We are seeking an energetic self-starter to fill a junior level Engineer position in our Andover, MA office. This is an opportunity to participate in our growing water systems engineering delivery team. This position will provide engineering support in the planning, permitting, design and construction oversight of drinking water infrastructure projects for municipal and private clients.

Qualifications:

- 0-4 years' experience.
- B.S. in Civil or Environmental Engineering.
- Excellent computer, verbal and written skills required.
- Required engineering focus includes drinking water treatment and hydraulics/fluid mechanics.
- Proficiency with hydraulic distribution system computer modeling software desired.
- Experience with AutoCAD preferred.
- FE/EIT certification preferred.

Applicants may apply online at www.woodardcurran.com/hr or submit their resume via fax to 888-761-0944.

Woodard & Curran is an Affirmative Action/ Equal Opportunity Employer.

Woodard & Curran is a Drug Free Work Place.
