

**Water Operator
Lincoln Water Department
Lincoln, MA**

The Lincoln Water Department is seeking qualified applicants for a full-time licensed Treatment and Distribution Water Operator. This position is responsible for the construction, operation, maintenance and repair of the Towns' water system, as well as other related duties within the Water Department. The successful candidate shall be a self-motivated individual with a strong work ethic who enjoys working in a small organization.

Duties include, but limited to, meter installation, hydrant and water main installation / repair, regulatory water sampling and lab analysis, maintenance of water facilities components and equipment calibration. The candidate will have basic computer skills including familiarity with Windows-based programs.

The candidate must possess, at a minimum, a Massachusetts Water System Class 2 Treatment license and a Class 1 Distribution license, or qualify for Operator in Training Treatment and Distribution Licenses within six months of employment. A valid MA driver's license is required. Hoisting license and CDL are encouraged. The position includes participation in on-call duties with weekend and holiday overtime. Candidates must live within a 45 minute travel time of the treatment plant.

Qualified candidates should submit a letter of interest and their resume to:

Greg Woods, Superintendent
Lincoln Water Department
16 Lincoln Road
Lincoln, MA 01773.
