

COMPANY NAME:  
Woodard and Curran, Inc.

JOB TITLE:  
Lead O&M Technician - R00723

--LOCATION OF JOB--  
COUNTRY: United States  
STATE/PROVINCE: Connecticut  
CITY: Storrs  
ZIP CODE: 06269

DESCRIPTION/RESPONSIBILITIES:

At Woodard & Curran, there's nothing we love more than a tough engineering challenge. We handle a wide range of water and environmental issues—solving complex problems with creativity and tenacity. That's how we make a difference to our clients, people, and planet. Our company was founded on a simple concept: provide a safe and enjoyable place to work with opportunity, integrity, and commitment, and we will attract talented people. Those people are at the heart of our firm, solving some of the most pressing water and environmental challenges for our clients.

Woodard & Curran has a phenomenal opportunity to join our skilled treatment team in Storrs, CT. Partnering with our Area Manager and Plant Manager, the ideal candidate will manage the daily operations of the

affected facility, including, with supervision, managing the scope, schedule, and budget of the facility in accordance with our contract requirements.

#### Responsibilities:

Activities include the operation and daily inspection of operating sites, maintaining communications with project personnel, preventive maintenance activities and data entry and report generation, including preparing the Monthly Operating Report. The Lead O&M Technician will monitor and control assigned budget elements to ensure cost-effective service to meet budget and will serve as the liaison with the project staff and management all within a team and career-focused environment.

Ideal candidates will also schedule, coordinate, direct, and supervises all daily operations of plant personnel, ensuring that subordinate employees follow established administrative, safety, operating, and maintenance policies. He/she will aggressively supervise the operations department to ensure that work is performed in a safe and professional manner by following established safety, operating, and emergency response procedures.

#### Qualifications:

\* Valid Treatment Plant Operator's License for the state of Connecticut.

\* Must possess a valid Driver's License.

\* Applicants will possess proficiency with computers, including an ability to work with SCADA, Microsoft Word, Excel, and Maintenance Management Programs.

\* Minimum five years of professional experience in the operation and maintenance of a wastewater treatment facility is desired. Applicant must be able to understand and follow compliance standards.

Woodard & Curran is an Affirmative Action/Equal Opportunity Employer.

Woodard & Curran is a Drug Free Work Place.

Individuals with Disabilities and Protected Veterans are encouraged to apply.
