

City of Amesbury, MA

Drinking Water Treatment Operator

The Amesbury Water Dept. is seeking a 2nd shift (3-11p) Drinking Water Treatment Operator

Amesbury's public water system operates under strict state and federal regulations. To help meet the stringent standards, quality control and quality assurance procedures are employed at every level of water system operations. A multi-barrier approach to drinking water protection is in place to eliminate contamination from the supply water all the way to the tap. The management and employee teams charged with the responsibility for providing safe drinking water to you are skilled and well-trained. With this combination of measures, we are able to provide a safe and reliable product that is essential to this community.

Required qualifications:

- Massachusetts Drinking Water Grade 3T Full Operator license or greater
- Massachusetts Class D Driver's License
- 2 years minimum working in a Drinking Water Facility

Salary range \$24.45 to \$30.06; 40 hrs/week. Employment applications are available online at <https://www.amesburyma.gov/public-works>. Please send completed application with cover letter to: Dept. of Public Works 39 South Hunt Road Amesbury, MA 01913 or email to forde@amesburyma.gov.
