

Job Posting

Water Supply Technician

The North Sagamore Water District is seeking qualified applicants for our Water Supply Technician position. The job description includes assisting with the maintenance of the District's greensand filtration plant, facilities and distribution system. The position requires the ability to respond to after-hours emergencies as well as being part of an on call rotation. Candidates should have knowledge of SCADA systems and computers.

All candidates must possess valid MA Drinking Water Supply D1/T1 licenses, as well as a valid driver's license and clean driving record. Applicants must have the ability to acquire MA D2/T2 licensing within one year of hire. The correct candidate will have the opportunity for advancement within the department. Starting hourly rate is \$19.24 to \$21.64 and will be commensurate with experience.

Please submit resumes by October 9, 2018 to Matt Sawicki at matt-nswd@comcast.net or mail to P.O. Box 133 Sagamore Beach, MA 02562. The Job description for this position is available on our website at www.northsagamorewaterdistrict.com . The North Sagamore Water District is an equal opportunity employer.
