SUPERINTENDENT OF SEWER & WATER

The Town of Walpole is seeking a highly qualified individual to fill the position of Superintendent of Sewer & Water. Work under the general direction of the Director of Public Works and the general policies of the Board of Water & Sewer Commissioners. Responsible for directing, administering, and coordinating the activities of the Sewer & Water Division ensuring compliance with the regulations established by Local, State, and Federal Agencies. Directs and supervises construction and maintenance projects relative to the water and sanitary sewer systems, as well as the Septage Waste Facility. Prepares and records required State, Federal, and Local correspondence while directing the Administrative operation of the Sewer & Water Division. Manages overall drinking water and public fire protection systems in addition to Watershed Areas and the sanitary sewer system. Complete job description via web site www.walpole-ma.gov.

The position requires an Associate's Degree with courses consisting of physical and/or biological sciences, supplemented by specialized courses in the field including hydraulics, water treatment and civil or environmental engineering. Ten years experience in a public or private water and sewer system of which at least three years shall have been in a managerial or administrative position. Any equivalent combination of experience and training which provides the desirable knowledge and skills will be considered as qualifications.

Annual salary range \$79,997 - \$105,554

Please send cover letter with resume and employment application to Town of Walpole, HR, 135 School Street, Walpole, MA 02081. Position will remain open until filled. AA/EEO
