

The Whitinsville Water Company is seeking a motivated and qualified person to fill the position of Water System Operator. We are looking for someone who has a Massachusetts Treatment Operators License and has experience in working at small (2T) treatment facilities. Understanding treatment operations, and how to operate and maintain small water treatment facilities is desirable. This position is a minimum 40-hour position, Monday through Friday 7:30 a.m.-4:00 p.m., with some on-call duties weeknights and weekends. Compensation is negotiable based on certification levels and experience. More information regarding the position can be found at <http://whitinsvillewater.com/announcements>. If interested, please send resume to rswigor@whitinsvillewater.com. Position will remain open until filled. Whitinsville Water Company is an Equal Opportunity Employer.
