

MWWA EDUCATION COURSE
Introduction to Becoming a Public Water System Operator
Course ID # MWWA 17-005

This 17.5-hour course is designed to introduce individuals to the field of operating a public water system. It will assist individuals with little or no previous drinking water experience in preparing for the Grade 1 Treatment and Distribution Water Operator Examinations, as well as the Very Small System (VSS) Water Operator Examination. The course is taught over a 5-week period with each class meeting once per week for 3 ½ hours each week. Topics covered include: responsibilities of public water systems and public water system operators; basic math & chemistry; overview of state and federal drinking water regulations; basic water treatment processes; water sampling requirements and techniques; overview of distribution system components (e.g. pipes, valves, pumps, tanks and water meters); cross connection control and water operator safety.

Attendees completing this 5-week course will be awarded **12.0 TCHs** (Training Contact Hours).

LOCATION: Tewksbury Police Station, 918 Main St., Tewksbury, MA
DATE: Mondays, January 6 – February 10, 2020 (no class on 1/20/20)
