

MWWA SUMMER EXPO (Aug. 25th) – TECHNICAL SESSION

Everything You Wanted to Know About Water Meters, But Were Afraid to Ask

MWWA Course: MWWA 22-006

AMI, AMR, MDM, MIU, Ultrasonic, Mag, Drive-By, Fixed Network.....

If you are considering a meter modernization program, or just want to understand the technology and terminology of the recent advancements in water meters, then this year's technical session is a must for you! The session will also include case studies from two MA utilities that recently completed water meter replacement projects. Numerous water meter representatives will also be present at the exposition so it will be a great opportunity to visit their booth and ask them questions.

Learning Objectives:

- To understand the terminology and differences of the various meters, and meter reading, technologies on the market today.
- To evaluate the various technologies and determine what might work best for your utility.
- To review case studies and the lessons learned from two Massachusetts water utilities that have implemented water meter replacement programs.

This course is approved for **2.0 TCHs** (Training Contact Hours) for Massachusetts Water and Wastewater operators as well as Rhode Island Water Operators.

LOCATION: Wachusett Mountain Ski Resort – Route 140 Princeton, MA

DATE: Thursday, August 25, 2022

TIME: 8:00 – 10:30 AM

COST: \$50 Training Session Only; \$99 Meal & Training Session

INSTRUCTORS: Ian Kasowitz (Stiles Co.), Greg Brovelli (Weston & Sampson), Tim Davison (Northborough WD), Mark Clark (N. Reading DPW)

AGENDA	8:00 – 8:15 AM	Registration & Introductions
