

Location: Boston, MA

Employment: Full-time, regular

Woodard & Curran is an 850-person, integrated engineering, science, and operations company. Privately held and steadily growing, we serve public and private clients nationwide. We consistently rank among the top firms in the U.S., including Engineering News-Record's top 100 environmental firms and top 200 design firms. Woodard & Curran was founded with a simple business concept: if we provide an enjoyable place to work with opportunity, integrity, and commitment, we will attract talented people who thrive and excel at their work.

Woodard & Curran draws on the experience of hundreds of certified operators across the country, backed by the knowledge and skills of hundreds more engineers, scientists, and regulatory experts, to quickly tackle the most challenging operational issues and keep treatment plants running efficiently and in full compliance. Woodard & Curran also aids employees in earning, upgrading, and keeping their certifications within the industry.
