

Licensed Water Operator

Req #117753

Location: Lynn, MA

Summary: Veolia is seeking a certified Water Treatment Operator in Lynn, MA. This is a full-time, swing shift position requiring at least a 3T MA drinking water license. OT eligibility, full benefits eligibility and 401K + match.

Main Duties include, but are not limited to:

- Monitors automatic and semi-automatic machines and related equipment including pumps, motors, process equipment, generators, valves, gates, mixers and chemical feed systems.
- Monitors flow meters, gauges, flow ratios, pressures and related controls through instrument panels, computer terminals in assigned area.
- Monitors and records operating conditions observations and data in area shift log.
- Ensures conformance to process specifications. Diagnoses basic operational problems and takes corrective action per procedure. Verifies and reports suspected malfunctions and variances to supervisor and takes corrective actions.

Requirements:

- HS Diploma or GED is required.
- Must have the ability to read, write and comprehend English (operational, process, safety and quality instructions). Must have the ability to perform basic mathematical calculations.
- Minimum of MA Grade 3T OIT license required, Grade 4T Full or OIT preferred.
- Six months to two years experience in a related position and environment with knowledge of the methods, techniques, and practices of water treatment.
- Must consistently demonstrate the ability to learn and independently operate assigned machines and equipment meeting or exceeding processing and quality targets.
- Must demonstrate ability to learn and independently operate equipment such as pumps, engines, centrifuge, generators, valves, gates, mixers, chemical feed systems, measuring/control devices, testing equipment and material handling equipment.
- Must be able to serve rotational 24 hour emergency on-call if required by site.
- Must possess a valid driver's license and a safe driving record.
