Hiring Salary: \$25.82

Hours: M-F, 6:30 am – 2:30 pm, overtime required

Responds to emergency calls during and after normal business hours.

Available for On-Call Rotation for after hour emergencies and weekend station checks.

This position performs work related to the installation, maintenance and repair of public water distribution systems for commercial, residential and public properties. The Water Service Technician not only operates heavy machinery but performs a full range of complex tasks and works within established procedures and/or policies. At this level, the incumbent serves as secondary Drinking Water License Operator and works with occasional instruction or assistance. Work involves frequent interpretation of policies, procedures and guidelines, and may involve the development of recommendations consistent with directives, policies and regulations.

Qualifications - Applicants must meet the following to be considered qualified for this position:

- High School Equivalency
- 3+ years of experience in water, wastewater or construction industry preferably in the public sector working with local government, or any equivalent combination of education, training, and experience.

Required Licensing/Certification:

- Possession of a valid 2B Hoisting License
- Possession of a valid Class B CDL.
- Possession of Drinking Water Distribution License
- Possession of Drinking Water Treatment License, preferred

Internal/External Applicants: To be considered for this vacancy, please submit the *required Application for Employment*, attached, to hr@hopkintonma.gov no later than **4:00 pm, Thursday, November 4, 2020**. Applications will be accepted via drop off or mailed to: Town Hall, Human Resources Department, 18 Main Street, Hopkinton, MA 01748. There is a drop box in the front of Hopkinton Town Hall.
