Water Operator, Grafton Water District

The Grafton Water District is seeking a qualified candidate experienced in the operation and management of a municipal water treatment, storage and distribution system for the position of Water Operator. This is a full-time non-union (40-hour) position. With on-call responsibilities, including emergency call outs. Must live within 20 minutes of the Water District office.

Responsibilities include, but are not limited to:

- Compliance with U.S. EPA Safe Drinking Water Act and MA D.E.P. drinking water regulations.
- Daily operations, inspections, and maintenance of treatment plant, all storage and distribution systems.
- State and federal reporting requirements.
- Working with contractors and support vendors.
- Active role in response to emergencies, water main breaks, etc.
- Ability to work alone and unsupervised.

Qualifications:

- Must possess and maintain applicable State licenses for a D.E.P. D-2 Distribution and T-1 Treatment facility. (Will consider motivated candidate who demonstrates the ability to obtain.)
- MA Driver's License.
- Ability to respond to emergencies, including weekends and holidays – and to take an active role in labor intensive repairs, maintenance, etc.
- Must be able to pass pre-employment physical exam, drug/alcohol test and CORI check.
- Knowledge of construction operations and practices.
- Excellent written and oral communication skills, strong mentoring and team-building skills.

Salary: Base hourly rate \$22.50/hour – dependent on qualifications with benefits package.

Please submit cover letter, resume, and preferences by November 20, 2020 to: Grafton Water District, P. O. Box 537, Grafton, MA 01519. Please mark envelope: Water Operator Position.
