

North Dighton Fire District Water Department

Water Superintendent

The North Dighton Fire District Water Department (NDFDWD), Prudential Board of Water Commissioners, is seeking a Qualified Water Superintendent. The Superintendent will be responsible for leading and coordinating the operations of the NDFDWD (and to ensure compliance with all local, state, and federal regulations and guidelines). The successful candidate will report to a three-member Prudential Board of Water Commissioners and be responsible for the operations and administration of the water system that currently purchases water from the city of Taunton and includes (?) miles of water mains serving approximately 375 customers. Applicants should have at least five years progressive responsibility in water works experience, at least two years in a supervisory position with the combination of experience and education. Current Massachusetts Water System Class 1D licenses required.

Work hours: 20 hour per week position, Monday through Friday, with occasional evening and weekend hours if needed. \$40 to \$45 per hour depending on qualifications.

Job description: maintaining compliance with the Mass DEP, collecting monthly sampling, meter reading, meter changes, mark outs, final readings, coordinating any needs that require sub contract workers to assist in the maintenance of the district.

Submit resume and cover letter to The North Dighton Fire District Water Department Water Prudential Board 340 Forest Street North Dighton, MA 02764.

Applications will be accepted until December 31, 2021 or the position is filled. North Dighton Fire District Water Department is an EEO/AA Employer
