

Job Posting

November 3, 2023

Water Superintendent

The North Sagamore Water District is seeking applicants for our Water Superintendent position. This position is required to perform a variety of supervisory, administrative, skilled, technical and maintenance work in the planning, construction, operation, repair, maintenance and replacement of distribution piping, storage, pumping and treatment facilities and systems. The position requires the ability to respond to after-hours emergencies as well as being part of a weekly on call rotation. Candidates must reside within a thirty (30) mile driving distance of the District office.

All candidates must possess a valid driver's license and clean driving record. Applicants must possess Massachusetts Department of Environmental Protection Division of Water Supply Grades D2 and T2 Licenses and have the ability to acquire other required certifications within a set amount of time. Candidates must submit to a pre-employment C.O.R.I check. The position has a starting salary of \$102,000.00 per year plus stipends and benefits. Training and licensing requirements for the position are funded by the District.

Please email resumes to Maureen Fruci at maureen-nswd@comcast.net or drop off in person at 14 Squanto Road, Sagamore Beach, MA 02562. The job description for this position is available on our website at www.northsagamorewaterdistrict.com. This position will remain open until filled. The North Sagamore Water District is an equal opportunity employer.
