

Environmental Analyst – Drinking Water Specialist *Albany, NY*

NEIWPCC is seeking a full-time Environmental Analyst to collaborate with municipal stakeholders and community leaders to develop and implement plans to protect drinking water sources throughout the Capital Region of New York state.

What You'll Do

As a NEIWPCC Environmental Analyst and an essential member of the Drinking Water Source Protection Program (DWSP2), you will:

- Work with municipal leaders, water operators, consultants, local health departments and other community stakeholders to develop DWSP2 plans and provide technical assistance during plan implementation.
- Collect, analyze, and maintain environmental data to inform recommendations and prepare technical documentation for a variety of stakeholders and for external outreach.
- Utilize GIS to create community maps and will be a resource to for questions related to sources of drinking water and locations of possible contamination.
- Assist with other tasks related to water supply protection, such as water quality sampling, database management, data analysis, performing sanitary surveys or capacity assessments for public water systems.

Preferred Qualifications

The successful candidate will have a passion and interest in preserving and advancing water quality. Ideally the candidate will have:

- A degree in environmental sciences or related field.
- Knowledge of and experience with aspects of drinking water quality programs, state/federal regulations, watershed management.
- Experience collaborating with a broad range of stakeholders in implementing environmental programs.
- Competence in statistical analysis of large data sets and competence in GIS highly valued.

Logistics

This full-time NEIWPCC position will work 7.5 hours per day and is based in the New York State Department of Health office located in Albany, NY. Duties will be performed largely in an office setting with occasional travel, for which a valid driver's license and private means of transportation is required. After six months of employment, this position may be eligible for a partial telework schedule for office-based duties, subject to approval and determined by program and office needs. Proof of COVID-19 vaccination required.

What We Offer

The anticipated annual salary range for this position is \$55,000 to \$70,000. NEIWPCC offers an outstanding comprehensive benefits package for eligible employees:

- Pays 75% of premiums for health, dental and vision coverage.
- Contributes 10% of annual base salary to employee retirement plans.
- Provides 15 paid vacation days, 15 paid sick days, paid holidays and volunteer leave.
- Offers tuition reimbursement and professional development support.
- Qualified employer for the Public Service Student Loan Forgiveness program.

To Apply

Submit cover letter, resume, and a brief writing sample by email to jobs@neiwpcc.org by January 14, 2024. Please reference #24-NYS-SW-DOH-001 in the email subject line. Applications will be reviewed on a rolling basis, accepting applications until the position is filled. A full position description and benefits listing may be viewed at: <https://neiwpcc.org/about-us/careers>.

About NEIWPCC

NEIWPCC is a regional commission that helps the states of the Northeast preserve and advance water quality. We engage and convene water quality professionals and other interested parties from New England and New York to collaborate on water, wastewater, and environmental science challenges across shared regions, ecosystems, and areas of expertise. Our mission is to advance clean water in the Northeast through collaboration with, and service to, our member states.

NEIWPCC's Diversity Commitment

NEIWPCC is committed to fostering, cultivating, and preserving a culture of diversity, equity and inclusion. NEIWPCC is an equal opportunity employer, and will not discriminate against any employee or applicant for employment because of their race, color, creed, religion, national origin, gender, sexual orientation, gender identification, marital status, physical and mental disability, ancestry, genetic information, age, political or union affiliation, pregnancy or related medical conditions, military service or application for military service, veteran status, or any other status or classification protected by applicable law. Physical or mental disabilities will be considered only as they may relate to the candidate's ability to fulfill bona fide job requirements. This policy refers to all personnel practices including employee recruiting, hiring, transfers, promotions, training, disciplining, terminating and all other conditions.
