

Woodard & Curran
41 Hutchins Drive
Portland, ME 04102

800-426-4262

Job title:

Plant Manager

Job Details:

Full-time, regular

Job Location:

Acton, MA

Job Description:

Woodard & Curran is a 600-person, integrated engineering, science, and operations company. Privately held and steadily growing, we serve public and private clients nationwide. We consistently rank among the top firms in the U.S., including Engineering News-Record's top 100 environmental firms and top 200 design firms. Woodard & Curran was founded with a simple business concept: if we provide an enjoyable place to work with opportunity, integrity, and commitment, we will attract talented people who thrive and excel at their work.

Responsibilities:

The ideal candidate will be responsible for the full-time operation and general maintenance of facilities equipment and process control at a wastewater treatment facility and associated pump stations, including managing the scope, schedule and budget of the facility in accordance with contract requirements. Additional responsibilities include environmental compliance, employee safety, client relations and financial management. The successful candidate will have experience supervising a staff of at least one or more operators and mechanics. Must be able to work days, nights, weekends and holidays, as required for emergency call outs.

Qualifications:

- Five or more years of experience as a wastewater facilities lead operator or manager.
- MA Grade V certification in wastewater treatment or the ability to obtain it within the first six months of employment.
- Experience overseeing a budget of \$300K or more.
- Excellent verbal and written communication skills.
- Proven track record with regulators.
- Experience with a Sequential Batch Reactor a plus.

Applicants may apply online at www.woodardcurran.com/hr or submit their resume via fax to 888-761-0944.

Woodard & Curran is an Affirmative Action/ Equal Opportunity Employer.
