Lowell, or Lawrence and North Andover, MA

Gain valuable experience with program implementation, youth mentorship and environmental education this summer with NEIWPCC! We're seeking two summer interns to serve as coordinators for the Youth and the Environment Program (YEP), which aims to increase environmental awareness and introduce young people to occupations in the water and wastewater industries.

In this role, you will:

- Supervise and act as a mentor to youths in the program and coordinate work activities alongside wastewater industry professionals.
- Develop curriculum and lesson plans, organize field trips for environmental programming, and assist with the development of program reports for agency submission.
- Assist with a variety of projects and activities, including drafting literature, designing social media content, and updating training guides.

Successful candidates will have a passion and interest in preserving and advancing water quality, and:

- Excellent interpersonal and communication skills, a commitment to equality and inclusion, and the ability to respectfully engaging with a diverse team of collaborators.
- Experience with Microsoft Office Suite, especially Word and PowerPoint.
- Completed at least two years of college coursework with a major in biology, ecology, environmental science, or related field, or be a recent graduate with a bachelor's degree.
- Some understanding of the Spanish Language is preferred.

This is a seasonal NEIWPCC internship based out of NEIWPCC's Headquarters office in Lowell, MA. This position requires frequent day trips throughout either Lowell or Lawrence and North Andover, for which a valid driver's license and access to own transportation is required. This position is not eligible for telework. The position is expected to begin in June and extend through August and would be expected to work 30 hours per week, with some flexibility. Proof of COVID-19 vaccination required. The anticipated hourly payrate for this position is \$16.25.
