

# **Town of Somerset, MA**

## **Superintendent of Water and Sewer**

Position performs executive level work in directing operations for both a municipal water department and a municipal water pollution control department. The work includes preparing and monitoring departmental budgets, planning, bidding and contract administration for capital improvements and other projects, overseeing departmental information technology systems, supervising personnel, collective bargaining, fiscal reporting, and rate and fee setting for both departments. A complete job description, with qualifications, is available at the Office of the Board of Water and Sewer Commissioners, 3249 County Street, Somerset, MA 02726 or by calling 508-679-2731. Salary is subject to negotiation. Applicants are to send a resume and three references to: Vice Chairman Roger Benevides at the above address. Applications will be accepted until the position is filled. The Town of Somerset is an AA/EOE employer
