

Pine Valley Plantation Co-operative Corp.

Belchertown, MA

LEAD WATER OPERATOR

Small public water supply in a 55+ mobile home community located in Belchertown, Massachusetts. Responsibilities to include, but not limited to, correspondence and compliance with all DEP regulations, overseeing proper water testing and treatment, leak detection and repair, maintaining all records and filing all reports. Must be available for emergency coverage after hours.

Must have minimum of D-1 and T-1 licenses, and a hoisting license is strongly recommended.

We are in the process of replacing our entire water infrastructure (5 miles of roadways/389 homes). Candidate would be expected to coordinate with contractors, Board of Directors, President and DEP on project.

Salary commensurate with experience. Send resume/cover letter to office@pvpcop.com by no later than April 18, 2021.
