

The Springfield Water and Sewer Commission (SWSC) is seeking Treatment Plant Operators for its West Parish Filters Water Treatment Plant in Westfield, MA. The TPO position is responsible for operating the plant 24/7, over three shifts, with the sole focus on water treatment processes and maintaining adequate supply. Qualified candidates must possess at least a Grade 2 Treatment License to operate the Grade 3 Treatment Plant. Successful applicants must also be computer literate, team focused, detail-oriented, and dedicated to providing high quality drinking water to the community.
