

Town of West Newbury, MA

Water Manager/Superintendent

The Town of West Newbury seeks qualified candidates to serve as the Manager / Superintendent of the West Newbury Water Department. This position is responsible for the business management, administration, operation and maintenance of the water supply and distribution system for the town. Position is full-time, benefits eligible.

Position requires specialized training in the field of water supply, distribution and treatment. A Massachusetts Class II Drinking Water Supply Operator's license for both Treatment and Distribution is required. Six or more years of prior experience with water systems is required, including at least three years in a supervisory role. Applicants should possess strong communication skills, both orally and written, and excellent supervisory, technical and administrative skills in water works construction, maintenance and operations.

Responsibilities require that Manager/Superintendent or a designated Water Department employee will be on call 24 hours a day, 7 days a week for emergency work. As a result, Manager/Superintendent must live within thirty miles of West Newbury or be willing to relocate. Position includes some rotating weekend duties with other Water department personnel.

Annual salary range \$85,649 to \$92,937, DOQ. Additional stipend for coverage of weekend on-call shifts. Position open until filled. Complete job description and qualifications at: www.wnewbury.org/job-postings
