

**DEPARTMENT *of* PUBLIC
WORKS**

July 24, 2024

Position Opening

Water & Sewer Superintendent

The Town of East Bridgewater is accepting applications for the position Water & Sewer Superintendent in the Department of Public Works.

Under general direction of the Director of Public Works, the successful candidate is responsible for the daily management and operation of the Town's Water & Wastewater systems in accordance with Federal, State, and Local regulations. The Water & Sewer Superintendent directs, coordinates, and supervises field personnel; advises developers, engineers, and others on policies for new construction, permits and easements; utilizes SCADA, GIS, and various MIS programs; assists with customer service; participates in the preparation of capital improvement plans, budgets, and annual reports.

The ideal candidate will have considerable experience in Municipal Water and / or Wastewater Systems in a progressive capacity, including supervisory experience. The successful candidate shall possess strong management skills, leadership, training, and communication skills. Computer skills and SCADA system knowledge is also required.

- Hold a minimum Massachusetts Grade 2-D and Grade 2-T water licenses.
- Hold or have the ability to obtain a Massachusetts Wastewater Collection System license.
- Complete job description available at <https://www.eastbridgewaterma.gov>

Compensation: Annual Salary Range \$105,000 to \$130,000

- Salary to be commensurate with education, experience, and skills together with a comprehensive benefits package.

Deadline for application is Open until filled. Applications received before August 2, 2024, preferred.

To apply please submit a resume and cover letter with the Town's standard job application (which can be found on the Town's website): <https://www.eastbridgewaterma.gov/about-us> to dpw@eastbridgewaterma.gov
