

MWWA Award Nomination Form

Please check which award you are nominating the person for:

- Paul F. Howard Award – for an active member whose knowledge and contributions to the profession merit special recognition.
- William H. McGinness Award – for an affiliate member whose knowledge and contributions to the profession merit special recognition.
- Community Award – for a community water system that exemplifies the highest standards of water works practice.
- James R. Fuller Award – for a member who is a state or federal employee who exemplifies dedication to the water works profession and willingness to work with water suppliers.
- Water Works Pride Award – for recognition of individuals who give that extra effort to make a difference in the water works profession. Nominations for this award are not required to be members of MWWA.
- Special Achievement Award – nominated by the Awards Committee or Board of Directors for outstanding achievements and contributions to MWWA and the water works profession.
- Sponsor Award – nominated by the Awards Committee or Board of Directors for a company for outstanding dedication to MWWA and the water works profession.
- Legislator of the Year – for a Senator or Representative who has shown outstanding commitment to the water works profession.
- Harold A. Fletcher Education Award – for a MWWA member who exemplifies Harold Fletcher’s commitment to continuing education of water works professionals by participating as an instructor or in other ways supporting water works continuing education.
